
Jeff Kilpatrick writer and artist of *Sketches of FISH TOWN* has a great new class at Portside Arts Center

Do-It-Yourself Comic Book Workshop!!

Carl Legensky by Jeff KilPatrick

A four-session crash course on graphic storytelling & sequential art for middle school and high school students. Using examples from popular comics and manga, students will learn how to use panels, captions, & all the other elements of comics & graphic novels to tell the stories they want to tell. When finished, students will walk away with a finished comic book of their very own & the know-how to create their own comics in the future.
