Write Your Own Fairy Tale

This class introduces children to the basic elements of storytelling with creativity and imagination. By writing exercises and reading popular children's fairy tales, students will learn the basic structure of a story: beginning, middle and end, as well as the importance of characters in a story. The class will include writing drills and will culminate in a project: each student will write a personal fairy tale and design the book cover, a keepsake they can cherish forever.

CFT1 • 7-12yrs • \$75 • Saturdays 12:00-1:30pm

Class Dates: 5/16, 5/30, 6/6, 6/13, 6/20
