The Portside Arts Center offers a well rounded Arts Education summer program filled with a variety of activities that will make an unforgettable summer for your child. Campers will learn a diverse collection of arts; crafts, painting, drawing, drama and music coupled with math and science programs instructed by teaching artists, counselors and Jr. Counselors.

Children, ages 5 to 12, learn to explore and express their inner creativity, build self confidence, self esteem and enjoy every minute of it!
